

SWEDISH MOM BET SEK 10 AND WON A JACKPOT OF OVER SEK 41 MILLION

A mother in Knivsta, Sweden, could hardly believe her eyes when she recently played the slot game *Reel King Riches Jackpot King* on LeoVegas. With a bet of just SEK 10, she quickly entered a bonus round, where the screen lit up with the words "*Jackpot King*" and the amount SEK 41,509,344, equivalent to approximately EUR 3,775,603 or GBP 3,275,917. She now plans to pay off her mortgage and invest for the future.

The winner, who wishes to remain anonymous, usually plays a variety of games, with her favorite being the classic *Book of Dead*. But on this particular day, she decided to try her luck on *Reel King Riches Jackpot King* from Blueprint Gaming—a decision she will never forget. After selecting a SEK 10 bet and pressing the spin button, the game swiftly triggered a bonus round. Moments later, it was clear: she had hit the top prize, *Jackpot King*, worth a total of SEK 41,509,344 (EUR 3,775,603/GBP 3,275,917).

"It's completely unreal! I thought, this can't happen to me. When the words Jackpot King appeared and the numbers started rolling, I couldn't believe it was true—I was in shock. Is this really happening? I told my partner right away, and he didn't believe it either. But it was real! Now I'll be investing for the future and paying off the mortgage!" says the winner of the jackpot worth over SEK 41 million.

"This is one of the biggest jackpots ever at LeoVegas, and we are incredibly proud to bring this kind of excitement to players in Sweden. I would like to congratulate her once again on the win and wish her the very best with her future investments!" says Mattias Wedar, CEO of LeoVegas Group.

LeoVegas Group offers an ever-growing jackpot, which now stands at over SEK 388 million, across its online casinos LeoVegas, expekt, and BetMGM. All of the Group's brands, including GoGoCasino, feature games from the *Reel King* series, with *Reel King Riches Jackpot King* available on several of them.
